April 16, 2003

Sir:

In response to the Office Action dated January 16, 2003, setting a shortened statutory period for response set to expire on April 16, 2003, reconsideration and withdrawal of the outstanding rejections and allowance of the present application are respectfully requested in view of the following amendments and remarks.

IN THE CLAIMS

Please amend the claims as follows:

2171 (Amended) A method of receiving information from a content provider and transmitting the information to a user terminal, comprising:

receiving information from the content provider;

displaying at least a portion of the information on the user terminal;

monitoring the information from the content provider to determine if any of the portion of the information being displayed on the user terminal has changed;
